

ICE HOCKEY NSW  
2010 ANNUAL GENERAL MEETING  
Sunday November 28<sup>th</sup> 2010

Sports House  
6A Figtree Drive  
Sydney Olympic Park NSW

**2010 ANNUAL GENERAL MEETING**  
**Sunday November 28<sup>th</sup> 2010**

Sports House  
6A Figtree Drive  
Sydney Olympic Park

3.30pm Registration.  
AGM 4.00pm to 6.00pm including awards

**AGENDA**

1. Welcome and Opening Remarks
2. Apologies for Absence
3. Confirmation of Minutes of 2009 AGM held 29<sup>th</sup> November 2009
4. Matters Arising from the Minutes
5. Correspondence
6. President's Report
7. Financial Report
8. Tabling of Appointed Officers Reports
9. Acceptance of Reports
10. Election of Vice-President
11. Election of Secretary
12. Election of Ordinary Members
13. Appointment of Directors for 2011
14. Presentation of Awards

- All nominations must be signed by the Nominee, the Proposer and the Seconder, all of whom must be current members of Ice Hockey NSW
- Proxy forms are to be received post, email or fax by the NSW IHA Inc. Secretary (IHNSW office) by 5.00pm Thursday, 25<sup>th</sup> November 2010
- Nominations for vacant positions must be received by post, email or fax by the NSW IHA Inc. Secretary (IHNSW office) by 5.00pm Friday, 19<sup>th</sup> November 2010

MINUTES  
2009 ANNUAL GENERAL MEETING  
Sunday, November 29<sup>th</sup> 2009  
SPORTS HOUSE

President opened the meeting at 4:03pm.

Minutes from AGM held 30<sup>th</sup> November 2008

Moved Vicki Stephenson, seconded by Keven Ross that Minutes from the 2008 AGM be accepted.  
Carried.

Matters Arising:

No matters arising from the Minutes from the 2008 AGM.

Official Apologies:

Robyn Ravelje, Don Scurfield

President's Report:

The President, Tim McMahon, read his report for the year. The report was made available for members. Main points:

- Thank you to all the members of both Committees that have donated their time and efforts to being part of the Committees.
- There has been a change in the overall age structure of the membership, the overall membership remains at about 1600 this year, growth in Atom and Pee Wee grades and an increase in the Women's grade.
- Most clubs are in attendance at all meetings, which is very important.
- We continue to receive our government funding of \$16500 each year. The facilities at Sports House are made available for us to use at a minimal charge.
- We are able to leave the membership fees the same for 2010, with the association in a good financial position moving forward.
- Thank you to all our appointed Directors, especially Mark Stephenson as Coaching Director, John Harvey as Development Officer and Robyn Ravelje as Referee Administrator. Thank you also to our Executive Officer, Emily Willis.
- Our rebuilt website continues to receive plenty of attention, recording an average of one million hits per month. The statistical and online registration capabilities continue to be a most valuable administrative tool. A big thank you to eGloo Technology.
- All NSW teams are to be congratulated on their performances at National Tournaments this year.
- Thanks to Keven Ross for his efforts coordinating the Northern Officials.
- Clubs will need to do more to contribute to developing off-ice officials.

- We are experiencing growth in the womens and junior leagues, which is great and contributes to the funding that we receive from the Department of Sport and Recreation.
- A thank you to the Senior B Committee for overseeing the divisional senior B league this year, and continuing to work with IHNSW to satisfy the needs and wants, of our senior members.
- A big thank you to Sue Thompson and Vicki Stephenson for all their help with the draw.

The President finished the report by thanking the Clubs that provided reports for the AGM and also to all the Committees, Volunteers and Parents who contributed to the sport throughout the year.

Financial Statements:

A financial statement was provided with the AGM report, which was distributed to all members. Treasurer Keven Ross answered questions on the financial statements. Moved Vicki Stephenson, seconded Norman Walsh, that the reports be accepted. Carried.

Election of Committee:

Warwick Griffith asked that Tim McMahon and Keven Ross to step down.

President's position: One nomination only. Tim McMahon nominated by Vicki Stephenson seconded James Galbraith.

Treasurer's position: One nomination only. Keven Ross nominated by Peter Wong, seconded Tony Huntley.

Moved Vicki Stephenson, seconded Norman Walsh, that the nominations be accepted. Carried.

Election of four Ordinary Members:

Nominations received:

Vicki Stephenson

Norm Walsh

Steve Ransome

Dawn Watt

The President asked each nominee to say a few words on their history in Ice Hockey.

The following for Ordinary Members are successfully appointed:

Vicki Stephenson

Norm Walsh

Steve Ransome

Dawn Watt

Ordinary Members be accepted, moved by Warwick Griffith, seconded by Tim McMahon. Carried.

The following Officials were appointed on the day after receiving nominations prior to the AGM, or continuing in their current capacity:

- |                          |                     |
|--------------------------|---------------------|
| - Social Justice Officer | Dorothy McDonald    |
| - Statistician           | Don Stolee          |
| - Coaching Director      | Mark Stephenson     |
| - Referee Administrator  | Robyn Ravelje       |
| - John Harvey            | Development Officer |
| - Tribunal Officer       | Paul Sims           |
| - Women's Coordinator    | TBC                 |
| - Tournament Director    | Dawn Watt           |

- Referee Development

TBC

Moved Vicki Stephenson, seconded Norman Walsh that nominations be accepted. Carried.

The President closed the meeting at 4.27pm.

President presented the 2009 PLAYER AWARDS.

**PRESIDENT'S REPORT  
2010  
ANNUAL GENERAL MEETING  
28<sup>th</sup> NOVEMBER, 2010**

Dear Members,

Welcome to the 2010 Annual General Meeting of the NSW Ice Hockey Association Inc.

Lack of ice-time continues to be an issue as it has been for several years, exacerbated by the uncertainties of allocations at Sydney Ice Arena and Erina Ice World and the demand-and-supply scenario caused by alternate hockey ventures at both venues. It was far from straight-forward but once again, Emily Willis, Sue Thompson and Vicki Stephenson managed to produce a successful draw again this season, for which I would like to thank them.

The Association is in a financially positive position again this year and there is no reason to increase registration fees next year. All State Teams have now assigned IHNSW bank accounts and although it might seem a bit fiddly for team Managers at first, it means that IHNSW can keep monitor receipts and expenditure and hopefully avoid any more problems involving team accounts.

IHNSW has recently received confirmation that NSW Sport & Recreation our funding has been approved for the next three years and that it will be increased by one third. It is understood that such increases are in recognition of a sport's sound administrative and corporate governance practices and financial stability.

Although the membership increased only marginally in 2010, it has done so in spite of those leaving to play in privately operated senior recreational leagues and there were about a dozen more Atoms registered than in 2009.

The Senior B draw concluded without cancellations and officials assigned to all games. I'd like to thank the Senior B Committee members for their continued efforts and for ensuring the players understand the necessity of officiating within their own Divisions.

Robyn Ravelje deserves a special mention for her tireless attention to the allocation of officials to the fact that none went without.

Disciplinary tribunals were minimal although those convened were for more serious matters than in recent years. Thank you to Paul Sims for his continued efforts in this area.

It was unfortunate and a little disappointing that the Central Coast Rhinos experienced problems during the season however, as there is a rink at Erina and the interest is there, it is hoped they'll get their problems sorted and hockey will be played again in 2011.

The Rhinos, like the Cyclones before them, experienced great difficulties in providing competent officials in 2010 and hockey will never prosper at Erina, until the resident club is able to overcome this issue.

East Coast Super League completed its first season as an Incorporated Association in it's own right and the League's viability and success is expected to be secure. Warwick Griffith, Les Adams, Steve Morgan and Peter Wong need to be congratulated for their efforts.

IHNSW had a successful National Championship campaign this year, winning Gold in the McKown, Ginsberg and McCrae-Williamson and Silver in the Brown, Tange and De Fris. Congratulations to all players and team officials and thank you to the North Stars Club for hosting a very successful McKown.

## **COACHING**

Mark Stephenson and Dawn Watt presented several Coaching and Refresher Courses during 2010 and as of October 1<sup>st</sup> season's end, IHNSW has 73 active Level I Coaches, 14 Level II and eight Level III.

Mark also has a two-day Coaching and one-day Refresher here next weekend.

I'd like to thank Mark for his many efforts as IHNSW Coaching Director, Dawn for her contribution and all those who served on our State Team Selection Panels.

## **ON-ICE OFFICIALS**

Five Officiating Courses were held in 2010, in Sydney and Warners Bay and I'd like to express our sincere appreciation to Keven Ross, Rob Duchemin, Jeffrey Scott, Ivan Manco, Jamie Miller, Mick Smith and Kent Unwin for presenting these.

With the introduction of the new IIHF Official Rule Book, all officials must be reaccredited prior to the 2011 season. A number of courses are being finalised and details will be available on the IHNSW website shortly.

Ivan Manco undertook an evaluation of many officials throughout the year and it is hoped that what he learns from this process will further assist in determining where IHNSW should best spend resources in developing, mentoring and progressing officials. Ivan has been working on a number of projects in this area and I expect we'll see the results of his efforts in 2011.

## **2010 HONOUR ROLL**

Congratulations to the following, on their achievements.

### **2010 AUSTRALIAN NATIONAL SENIOR TEAM**

Roberto Franchini	Matt Ezzy	Scott Stephenson
Sean Oultram	Tomas Manco	Todd Stephenson
Matt Price	Chris Sekura	Anthony Wilson
Vladan Stransky		

### **2010 AUSTRALIAN NATIONAL JUNIOR TEAM**

Brenton Tripp	Lucian Hackett	Mathew Lindsay
Joel McFadden	Rhys Outred	Shannon McGregor

### **2010 AUSTRALIAN NATIONAL YOUTH TEAM**

Joshua Broekman	Spencer Austin	Billy Cliff
Jayden Ryan	Mathew Mitcherson	Lukas Manco

### **2010 IHNSW JIM BROWN MEMORIAL TEAM**

Tim Morgan	Shane Barrow	Brian Funes
Lucien Hackett	Jayson Chalker	Brett Cole-Clark
Dean Eisler	Lee Turner	Joshua O'Neil
Dave Wardle	Jason Kvisle	Lyle Wilson
Deian Cousins	Laurie Mock	Paul Bond
Joel Rhodes	Branden Stobbs	Matt Musumeci

**2010 IHNSW JOAN McKOWEN MEMORIAL TEAM**

Sandy Cameron	Remi Harvey	Katherine McOnie
Samantha Lai	Amelia Matheson	Rachel White
Serena Yu	Sharnita Crompton	Alexandra Stefan
Anna Ruut	Tarni Loreggian	Jacqueline Firminger
Jasmine Eisler	Kaylee White	Andrea Lim
Elissa Deenick	Annelie Hagberg	

**2010 IHNSW SYD TANGE TEAM**

**2010 IHNSW JOHN McCRAE-WILLIAMSON TEAM**

Jack Buffey	James Urweiss	Lachlan Tripp
Liam Manwarring	Dylan Pataky	Kenshin Hayashi
Reece Walker	Liam Chalker	Alexander Wardlaw
Branson Moore	Leila Okabe	Zachary Okabe
Dylan Lavery	Daniel Coffey	Connor Lee
Matthew Wu	Pearcen Nicholson	

**2010 IHNSW STATE TEAM COACHES**

Matt Pease - Jim Brown - Silver  
Kevin Price - Joan McKown Memorial - Gold  
Steve Austin - Syd Tange - Silver  
Jeff Todd - Kurt de Fris - Silver  
Dawn Watt - Phil Ginsberg - Gold  
Amelia Matheson- John McCrae-Williamson - Gold

## 2010 IHNSW-SCOTT OFFICIATING AWARD

For several years, Jeffrey Scott has sponsored the IHNSW-Scott Officiating Award to be presented annually to a novice official who has demonstrated dedication, effort and perseverance. It comprises a trophy and \$1000 cheque to be used to purchase ice hockey referee equipment and/or educational or training resources. Congratulations to Lachlan Allport in 2010 and many thanks to Jeffrey.

## 2010 IHNSW MVP, HIGHEST POINTS SCORER & BEST GOAKEEPER AWARDS

AWARDS 2010			
Grade	MVP	HPS	BGK
Pee Wee	Brendan Kong - Canterbury Eagles	James Marino - Canterbury Eagles	Nicholas Mizen - Canterbury Eagles
Bantam	Casey Kubara - LCC Saints	Yucca Reinecke - Sydney Bears	Harley Quinton-Jones - Newcastle Northstars
Midget	Billy Cliff - Blacktown Flyers	Alec Stephenson - Blacktown Flyers	Rhett Kelly - Blacktown Flyers
Women	Rachael White - Penrith Phantoms	Rachael White - Penrith Phantoms	Alexandra Stefan - Central Coast Rhinos

ECSL	Joshua O'Neil - Raptors	Shane Southwood - Rhinos	Bohdan Gorman - Heat

I wish to sincerely thank everybody who has contributed to improving hockey in NSW during 2010 and as always, express our sincere appreciation to Emily for her efforts again this year. Without her continued efforts as our administrator, her dedication to the job and the contribution she always makes, it would be a much tougher job for us all.

Tim McMahon  
President  
Ice Hockey NSW  
28<sup>th</sup> November, 2010

## REFEREE ADMINISTRATOR REPORT 2010

What a good season 2010 turned out to be. There were 632 games played over the season and not a game cancelled because of lack of officials.

There were half a dozen new officials from the junior teams who enjoyed their officiating and hopefully, next year some will go on to be junior referees. I want to encourage all juniors to give officiating a try. There will be courses at the beginning of the year so get your names in early.

As always the ongoing problem is lack of officials. With so many more games played this season, referees and linesmen were stretched to the limit. My thanks to the many who repeatedly helped me out. I guess there will always be a problem with injuries and people moving interstate or overseas.

The senior side of the competition ran reasonably well. I had a good response from officials generally and there were a lot of new names who helped me out so thank you to you.

Robyn Ravelje  
Referee Administrator

## TOURNAMENT DIRECTOR REPORT 2010

IHNSW was awarded one National Championship in 2010 – the Joan McKown Memorial (Women's). The development of the Australian Women's Ice Hockey League (AWIHL) has seen a lower number of players competing in the Joan McKown Memorial (JMK). It was determined that 2010 would be the final year of this Championship, and that the trophy would be awarded to the winner of the AWIHL from 2011.

Only three teams came to the JMK which was held in June in Newcastle – New South Wales, Victoria, and a combined ACT/Queensland team, who flew the ACT banner. A double round robin series was played to allow the teams more competition over four days. NSW was the winner after the round robin and proceeded directly to the final. VIC triumphed over ACT in the semi-final. NSW proved too strong for VIC however, and the NSW women won the gold medal for the 4<sup>th</sup> year in a row.

The Only Atoms Tournament returned to NSW after being played in ACT in 2009. All of the atoms teams in the state competed over 2 days in Newcastle, NSW. This was a highly enjoyable event and this year the trophy was won by the Liverpool Saints.

Dawn Watt  
Tournament Director

## SPORTS MEDICINE OFFICER REPORT 2010

No major issues have arisen this year for the Sports Medical Officer position.

Since 1 January 2010 therapeutic use of inhaled salbutamol (for example, Ventolin/Asmol) at a maximum of 1600 micrograms (16 puffs) per day, and salmeterol (for example, Seretide and Serevent) has been permitted.

No Therapeutic Use Exemption application form is necessary for these asthma medications. However, athletes will be required to declare their use on the Doping Control Form when tested.

Awareness of ASADA requirements is important, as ignorance is no defence if you test positive. Commonly used medications and over-the-counter medications may put an athlete at risk if tested. Stimulants are frequently picked up in sports drug screens. Many over-the-counter decongestant medications (such as pseudoephedrine) used for the flu are considered stimulants. Weight loss preparations may also contain stimulants and result in positive tests for athletes. Both of these groups are prohibited in competition. Most widely used diuretics (fluid tablets) are not permitted in or out of competition.

ASADA recently advised all Australian athletes subject to in-competition doping control to carefully consider their use of sports supplements and products containing methylhexaneamine. With athletes obtaining supplements from a variety of sources, including overseas, it is difficult to be certain that all ingredients are listed correctly. A number of Australian athletes have recently tested positive for methylhexaneamine.

The ASADA website now has an online tool for checking any medications you might be taking:  
<https://checksubstances.asada.gov.au/>

The updated 2011 prohibited list will be published on 1 January 2011.

Dr Norman Walsh

SENIOR B COMMITTEE  
REPORT 2010

It was another successful season for the senior competition, fielding 21 teams across 3 divisions. It is great to see player interest continuing to rise...now if we could only get some additional ice.

The long season culminated with a spectacular back to back finals for all divisions being held at SIA. Two of the three games were decided by just one goal, with the other being decided by two. It was an exciting and action packed night. We would like to thank SIA for providing us with the opportunity and to everyone who attended to watch.

I would also like to give a special thanks to all the on and off ice officials who continue to give up their own time to allow us to play the game that we all love.

Regards  
Andrew Dark  
Senior Committee Chairman

## BLACKTOWN FLYERS ICE HOCKEY CLUB REPORT 2010

2010 was a bit of a mixed year, but overall another successful year for Flyers.

As we have minimal exposure for development leagues it makes it difficult to attract new players to the club, so that fact that we can continue to field teams in each of the junior grades is a real testament to the loyalty of our members.

Our Atoms never fail to impress as they have all come so far in their development. I am constantly amazed by the skills of some of these kids, and the passion and dedication they have for the sport. Sincere thanks to Dave Costa and Sue Moncrieff for coaching and managing the team. Also to Bryan Costa & Lee Moncrieff for assisting Dave at training.

Our Peewees had a bit of a mixed year, we didn't make the play offs but there were some very impressive results throughout the season. I would like to thank those players from other clubs who joined our Peewee team so that they could all keep skating, your support of our club is very much appreciated. Thanks to Mark Page, Darren Lawton & Don Smith for all your hard work.

A fantastic effort from our Bantam's team to make the play off's. This team were lucky if they had 2 lines at games and then lost their goalie toward the end of the season. This put them down another player in order to put someone in net. To go through all this and still make the play off's is a credit to each and every player. We welcomed Sandy Cameron to our coaching team this year and right from the start she motivated this team and this showed through in their results. Sincere thanks to Sandy Cameron & Frank Pataky for all your hard work throughout the year.

Once again our Midget's finished as champions defeating Newcastle 3-0 in a very physical grand final. Although we suffered some serious and lengthy injuries those players who were injured still came to each game to support the team; the camaraderie of this team is to be commended. Thanks to Steve Austin, Jim Zvonicek and Paul Kelly for your hard work and dedication throughout the year. And to our midgets who will now go on to East Coast, Seniors or AIHL we would like to thank you for your loyalty over the years, some of you have never played for any other club and it will be very sad not to see your smiling faces each week. We wish you all the very best of luck!!

To our dedicated coaches and managers, as we all know it is definitely not the easiest job in the world. However, you continue to give up your time each week and we thank you all very much for your dedication. Also to our players who help out the coaches and younger players at training each week, thank you for giving up your time to help out.

Congratulations to all players who were selected in state teams this year, there were mixed results across the board however Blacktown Flyers was very well represented in each grade and you all did your club very proud.

We have also had some of our players selected in National Teams, congratulations to you all and I hope you all enjoy the experiences of international competition.

To our small but very dedicated committee, thank you all very much for your hard work and dedication.

We would also like to thank the management of SIA for their continued support of the Flyers.

We look forward to another successful season in 2011.

Sharon Kelly  
President  
BFIHC

# CANTERBURY EAGLES

CANTERBURY EAGLES ICE HOCKEY CLUB

AGM REPORT 2010

The Eagles started the year with an all new equipment arsenal from the new tracking system with all new netting to a custom built set of goals. This years Canterbury Eagles club consisted of 4 teams in the Junior grades, 8 Senior teams as well as a Women's team - a total of 13 teams, again making Canterbury the largest club in the state.

The season started well and only a week into that season the Eagles ran the biggest round robin event held in N.S.W.

The Heaton cup - which saw the IHNSW puck shooter gallery come out of retirement and enjoy a day of well earned use as well as other games for all to play and many generous prizes to win, affordable food and beverage, Bauer and Eastern setting up a mobile shop for the day.

This event has continued to grow and this year, we saw the return of Blacktown to join us on this epic adventure of hockey, making it the day we all intended it for – a fun days comp between all NSW clubs.

The Eagles would like to thank the Canterbury Olympic Ice Rink - not only for enabling the Heaton but also their on going and continued support.

They have supported our Eagles in many ways - from the development league they run each weekend to the full hour and full sheet of ice they supply to each of the junior grades to allow them the maximum ice possible to continue their learning of their chosen sport.

The continued development and growth of our sport is indeed due to the generosity of the Canterbury Ice rink. And to Wayne Disbrey the Manager of the rink, an ex hockey player himself who cares for all the disciplines under it's roof.

Canterbury **Atoms** enjoyed a growth year this year with a full roster and having to turn players away during the season. The Atoms won the "Atoms only tournament" and had a strong year of play.

With thanks to their coaches Ho Lee and Danny Soo and the generous assistance of Vlad Rubes.

Canterbury **Peewees** were a dedicated small team that went hard all year. They never gave up despite there numbers and due to their determination and the guidance of their coach, the dedicated Don Scurfield, they won the Peewee division for 2010.

Included in this success, we also had IHNSW "MVP" as well as "Top Point Scorer" and also "Goalie" of the year, which makes us all very proud.

Canterbury **Bantams** had their work cut out for them with a very small team. What they lacked in numbers they made up for in heart and soul and played hard all year.

Andrew Reynolds joined our Canterbury coaching staff this year to lead the kids. And boy did he love it. We thank him for all his dedication and efforts.

Canterbury **Midgets** were coached this year by our club's greatest junior influence and teacher Matt Musumeci. A good sized team with a number of inexperienced players always meant it would be tough but despite this challenge they rose to it and by the end of the year had won a number of games and competing with the top teams was an outstanding effort, especially considering the experience of some of those teams.

Canterbury **Women's** and **Seniors** enjoyed great numbers on teams as well as a number of Canterbury Senior teams making Grand Finals again this year. The growth at Canterbury is very strong with us having turned away three extra teams this year.

The "Elite Skills Clinic" run by Tini Winton was a huge success with some of the nations best players as well as the National Youth Coach and the National Seniors Coach being involved with this event. This Clinic is the only one of its kind in N.S.W. having three kids to one (AIHL) instructor for two hours on ice, has created an intensive and much needed skills development for kids looking to advance their hockey.

Canterbury is running two Summer Comps again this year, which have both kicked-off well and running very smoothly. Thanks indeed to Vilem Kunzl and Wayne Greenwood for the Senior one and Ho Lee and Scott Wardlaw for the Junior's.

The 2010 committee consisted of Adam Hales as President, Morgan Jones being Vice President, Deb Marino as Treasurer and Karl Winton as Secretary.

The Canterbury Eagles have all new equipment and the committee has left this years Eagles in the strongest financial position it has been in for a number of years.

The committee would also like to acknowledge and thank the Executive of IHNSW for their tireless efforts in the support of this sport.

Yours sincerely

Karl Winton  
CEIHC Secretary

## CENTRAL COAST RHINOS 2010 REPORT

I'd like to start the report by thanking the dedicated few, whose efforts ensured the CC Rhinos completed season 2010 in spite of the hurdles that continue to plague hockey on the central coast. I'd also like to congratulate all of our players, who showed yet again that despite any and all administrative problems the club might face, we continue to demonstrate the highest possible standard of play and sportsmanship on the ice.

In 2010 the CC Rhinos fielded 7 teams. One each in the Atoms, Peewees, Bantams, Midgets, ECSL, Senior B and Women's divisions, with 4 teams earning a birth in the finals.

Returning Atom coach Nick Fill again worked wonders with a host of new recruits and returning players to put together a successful season. Dawn Watt lent her considerable skills to our peewee team. Our midget team posted an impressive season, fortunate as they were with the return of Pier Martin. Unfortunate however to bow out in the semi's. Our ECSL bowed out in the first round of finals, after an impressive season. A disappointing result. The Ladies team overcame persistent numbers issues to go on to the grand final and take silver.

I applaud all of our teams for yet again proving that the central coast produces talented players and talented teams without the luxury of easily accessible or cost effective ice time.

2010 was however, not all positive. A slew of financial hurdles rising from the deteriorating relationship with rink management that drastic as measures as a completely restocking the COM mid season failed to stem. Sizeable personal contributions from key members of the club proved to be the slim line between life and death for the club, for this I thank those members for their contributions.

It's been a rough year off the Ice for the Rhinos, I won't repeat what most of the IHNSW committee will already know pertaining to our specific difficulties. I will simply thank IHNSW and its membership for their assistance, understanding and eternal patience and hope to do so again next year.

CCRIHC President  
Ben Chalker.

## L C C S A I N T S I C E H O C K E Y C L U B

An Intra Club of Liverpool Catholic Club | Joadja & Hoxton Park Roads |  
Hoxton Park NSW 2170

2010 has been yet another positive year for the Saints, many steps forward, many first and many best for a still young and growing club. A club who, without the support of the Board of Directors and Management of the Liverpool Catholic Club, would not exist. Our ongoing appreciation to the club for their continued support should not be underestimated and as Saints we represent the Liverpool Catholic Club and Liverpool community with pride. Financially it has been yet another cash positive year for the club with many improvements made in financial operation of the club. Merchandise sales have increased dramatically, both winter and summer comp numbers have been expanded upon from 2009 and overall a more prudent approach to the year has seen the clubs finances in their strongest place to date. This position has enabled the club to announce that next year a new uniform consisting of Home and Away jerseys and pant shells will be provided to all returning players with no cost to the players. The club also this year announced the commencement of the Karen Honeybrook Scholarship available to one Saints player each year commencing in 2011 for the amount of \$1,000. The naming of this scholarship was a tribute to Karen who was this year made our inaugural life member.

On the ice the club went from strength to strength to some disappointments. The Mighty Atoms of Liverpool losing only one game all season, winning Atoms only and topping round robin as well as IHNSW winter season, a team full of stars in the making. The Titans, Senior B Div 1 Champions, the pre-season Titans skills camp was a great success with the 50+ kids that attended and the Titans have regularly coached development hockey through the season. To those who scorn the senior ranks, we have more seniors officiating and coaching than ever, without senior's contribution this club and IHNSW would not be in the strong situation it is today. Let's not forget those Bishops, Senior B Div 3 Champions; in a game that everyone thought they would run away with it was a real battle to the end. Showing the commitment from all the players in this team not just the individuals who dominate the stats, with a number of players on this team competing in their first ever ice hockey competitive season winning was a real accomplishment.

From Pee Wee's through to Midgets the remaining performances from all ages were more than commendable, Pee Wee's falling only one game short at the semi-final mark dropping a heartbreaker by one goal. Bantam's strong all year unlucky enough to come up against the minor-premiership winning Bears in the Semi-Final. Finally the Midgets, missing out on the playoffs but from a team comprising of mainly 1<sup>st</sup> year midgets a strong performance to grow on. Thanks to all the coaches, managers and volunteers from the junior ranks, the club would not be able to field these junior teams without your ongoing support. The Women and or remaining two senior teams, Cardinals and Arch Angels both playoff teams in Senior B Division 2, all had strong seasons. The Saints would also like to recognise our State Representative players, Leila Okabe, Zachary Okabe, and Matthew Wu in Atoms, Ellesse Carini, Bayley Kubara, and Jack Oxlade at Pee Wee. At Bantam level we were represented by Casey Kubara, Courtney Todd, and Martin Valdivia and Midgets where Adrian Braun, Steven Naidovski and Chris Shephard. Both Andrea Lim and Tarni Lorregian represented at Women's state level, last but far from least Tyler Kubara and Steven Naidovski (reserve) named to the national junior team.

Unfortunately I feel obliged to end this report on a low note, this year Liverpool Catholic Club Sports Complex hosted two of the most despicable acts seen on a ice rink in a long time. Both involving senior players in division 1 who at least should know better, both involved stick swinging instances aimed at the head. In the second event our player was lucky enough to come home unscathed, not so in the first. Matt Bosnjak received a fractured skull and hearing damage in one ear, sitting over 5 weeks he showed his courage and dedication to the team by returning to play the semi and grand final and claim his winner's medal. It would be nice to say that these issues

where dealt with swiftly and concisely by IHNSW and actions was harsh and a deterrent to other players. That is not the case and clearly highlights that procedure changes in the disciplinary procedures of IHNSW and IHA need to be reviewed. The performance of the leadership of IHNSW also needs to be questioned, and what better time than the AGM!

Again thanks to all those who contribute to make the LCC Saints the greatest Ice Hockey Club in Australia, well in my opinion anyway!

An Intra Club of Liverpool Catholic Club

## NEWCASTLE NORTHSTARS 2010 REPORT

In many respects the 2009 and 2010 committee year has been one of steady as she goes and consolidation.

Our summer comp. running over 2009 and 2010 was a very successful one with 16 senior teams and 6 junior teams. The culmination of this season, was the finals day run at the end of February, starting at 9.00am and finishing at 9.00pm. From all feedback to the committee this was a great success and thanks have been paid to Stephen Cooper, whose brain child this was. Further, the tireless work of other committee members on the day ensured this was a day to remember and showed the Newcastle NorthStars Ice Hockey club at its best.

The Winter rep season kicked off in March this year with the club fielding teams in all grades except PeeWees, which we hope to rectify in the coming year. Our teams performed well and 3 out of 5 were involved in the final series for those leagues. Emerging champions for the year was our Bantam team, coached by Steven Lindsay, Mathew Lindsay and Adrian Parrot.

Congratulations to Steven and his team. The finale of our season was the club presentation night at Club Macquarie where yet another Stephen Cooper idea was confirmed as a great event and our President Peter Wong was recognised for his service to the club.

Amidst the winter rep season we had an in house season running to ensure the development of players coming out of development and alike. This has proved to be a significant job for the committee who are mostly heavily involved in rep. Season. For this to continue and the open summer leagues, and to ensure the health of our club, players need to take ownership for the organisation of these comps, to reduce the workload on the committee.

To this end a new direction for the open comps has been implemented in the recent weeks to facilitate the input of senior and interested players in organisation and conduction of open comps for both summer and winter. This will continue to be done under the banner of the NNSIHC but will reflect a delegation of responsibilities.

The winter in house season involved the close association of the AIHL NorthStars and the club in the form of training sessions and hockey schools. This year saw the involvement of four outstanding individuals led by Chris Belanger. Through an initiative of Garry Dore, we were able to utilise our development budgets to ensure a very hands on approach by Chris, Blair Tassone, Brian Bales and Peter Cartwright. These were four outstanding hockey players and men who were great role models for our younger members.

Also during the winter rep season we saw a healthy number of members reach higher representative levels competing for NSW and Australia. Congratulations must go to all those players and coaches who represented themselves, their families, our club and our state and or country with pride and good sportsmanship.

At IHNSW our club continues to provide support and strength to the NSW competition and as a convenor of National Tournaments. The close and positive relationship between our club, the Rink ownership and the Figure Skating club, ensure that we are truly capable of putting up our hand for many tournaments.

This was no better demonstrated than at the recent Masters Tournament where the quality of our on and off ice officials were highly praised.

The club continues to grow with a strong development program and a large interest for the sport in the area.

The 2010 AGM marked the end of the tenure of Peter Wong as president of the club. Pressing family and work commitments have necessitated the need for Peter to take a backseat role in the club. (If you can call refereeing and coaching a team this). His hard work and dedication have left the club in a truly strong position for the succeeding committee and its President to continue to take the club forward.

Brenda Powell  
Secretary NNSIHC

## ICE HOCKEY CLUB INC.

### SEASON 2010 REPORT

To Ice Hockey N.S.W. and all members.

Penrith fielded 5 teams season 2010 and had varying success, these teams being Penrith Phantoms A's Penrith Pirates A's, Phantoms B's C's and Penrith Phantoms women's team.

The club thanks Kaylee White for both leading and coaching the women's team to a grand final win, after short numbered teams for some years, the women's team had an influx of players of varying skill levels in 2010, and Kaylee did a great job blending this team together with no regular goalie.

Both the men's Phantoms A's and C's finishing 4<sup>th</sup> in their divisions, while the B's and Pirates had less success .

The year started with only a very small committer and has had many situations such as its website problems, lack of personnel and amount of time or hands to get some issues solved quickly.

With 2010 closing and the club running a summer in house comp, new players are enjoying their hockey along with development on Wednesday evenings starting to produce some young players hopefully for season 2010.

AS in 2009 the club finishes the year in a solid financial position.

Chris Bell

President P.P.I.H.C.

THE SYDNEY BEARS ICE HOCKEY CLUB INC  
2010 REPORT

2010 was another great year for the Bears. Some of the notable achievements include

- We ran teams in all IHNSW age divisions except Pee Wee. We made up for this by having 2 Senior teams though. All teams performed extremely well. Bantams and Midgets made the Finals. Midgets dropped out in the semi-final round. Bantams lost in the grand final to take silver. Senior 2 made it all the way through to win Gold. Our Womens team didn't make the finals but did improve greatly over last season – and by all reports the Women are up for a cracker of a season next year. And finally the Atoms. This year's team was dominated by players who were new to the sport. This is a very enthusiastic bunch of kids (as anyone who watches them at Tuesday training can tell). The Atoms made huge improvements over the season – becoming faster skaters and better players game-by-game. They will be a stronger force next year.
- Each of our representative teams had players who made State teams this year – including Atoms, Bantams, Midgets and Women (sorry Seniors, no National tournament for you). A big congratulations to all State representatives.
- Our Hockey Development League (d-league) was very strong throughout the winter term. The number of skaters on the ice each week was very satisfying. Our club is built by bringing players through d-league so this is a very important activity for the Club.
- Our off-season summer training program has proved very popular this season with record numbers of participants attending our summer d-league (for beginner/intermediate players) and our Summer Elite training program (for advanced players).

Moving forward into 2011 Sydney Bears will again focus on the areas of

- Player development – putting together revised curriculums for d-league and representative teams.
- Coaching development – building on the club's Coach mentoring program, and
- Fostering the family culture that Sydney Bears is widely recognised for.

I would like to close the report with a big thank-you. Sydney Bears has no paid positions.

Everything that keeps this club going is done on a voluntary basis. I will not attempt to name individuals, but just to give you a feel for how everyone contributes, below is my thank-you list.

- The Club Committee – past, present and future.
- Our Team Managers.
- Our Coaches – the team coaches, the assistant coaches, the d-league coaches, and our growing group of trainers and trainee coaches.
- Everyone who assisted with fundraising this year. An important activity to help keep fees down.
- Everyone who assists at training each week – the people on the front table; those that help with the nets; the people who help the new d-leaguers get kitted up; etc.
- All the parents who drive their kids to training and games.
- And finally, the players – the heart of the club and the reason for the club's existence.

Craig Air Club Secretary  
for Sydney Bears Ice Hockey Club

## THE NORWEST EMPERORS ICE HOCKEY CLUB INC 2010 REPORT

The Emperors club had over 100 active players in the 2010 Winter competition, spread across 6 junior and 2 senior teams. As a relatively new club our focus has been to increase junior player numbers and we are very pleased to be able to introduce a significant number new players to the sport every year.

A special thanks goes out to the committee and all those club members who work hard to ensure the season runs smoothly and for making everyone feel welcome to our sport. We also owe a huge thanks to our outstanding team of coaches who enthusiastically took on the challenge of coaching experienced players an beginners in the same teams.

While our results in some grades were compromised because of our development objectives we are proud to note a significant improvement in the skills of all players. Congratulation to the Barbarian (Peewee) and Senior 2 teams for making the play-offs. Many players and parents have made huge commitments to Ice Hockey over the last year and this effort has translated into a large number of players competing for positions in IHNSW representative teams. The Emperors were represented in all junior teams.

Kenshin Hayashi - McCrae-Williamson  
Daniel Coffey - McCrae-Williamson  
Nolan Petit - Ginsberg  
Mark Madden - Ginsberg  
Lachlan Shumak - Ginsberg  
Kyle Crawford - De Fris  
Kevin Madden - De Fris  
Jamie Blazevic - Tange and National U20  
Fiona Moon - Joan McKown Training Squad

We look forward to 2011, our 5th year of competition, when we will continue to see the results of our collective efforts in performances on the ice and in representative team selections.

The summer competition is now under way with around 50 Atom and Peewee age players, including 12 players who are new to the sport. We look forward to working with other clubs to foster further growth in junior Ice Hockey, with a particular focus on younger Atoms players.

## ECSL WINTER SEASON 2010 REPORT

In 2010, East Coast Superleague expanded to 6 teams with the inclusion of the Central Coast Rhinos and regard 2010 as a very successful season and once again a distinct improvement from the previous year. This is seen in not just the competition itself but in the increase in the individual quality of the player's ability.

2010 also saw ECSL become a club, in its own right, and the league looks forward to our own AGM and increasing the involvement of players in the operation of the club and competition.

Also a word must said for the success of the state team representing the league, for NSW. To be within a goal of winning the Brown tournament against a team having trained and played together for a year, shows well for the league they represent.

Thanks must be given to the rinks who host us, Canterbury, Penrith and Newcastle for their continued support. Keri Spina for her invaluable assistance with the accounts, the NSW office and Emily for her continued help and forbearance. Thanks to all team managers, coaches and especially our thanks to all our fabulous scorers and volunteers.

Financially, ECSL maintained its budgetary expectation.

Congratulations to our award winners and to our 2010 champion team Raptors. A well deserved win in only their 2<sup>nd</sup> year.

Steve Morgan  
President  
ECSL
